Based in Cookeville, Tenn., J&S Construction Company, Inc., a small business concern and licensed general contractor, got its start in 1957. J&S Construction® has maintained one very clear objective: Building Relationships by Building Trust. Since that time, we have successfully completed more than \$500 million in unique projects for our various clients, with more than 75.6 percent of which being repeat clients. Today, J&S Construction employs approximately 115 of the finest craftsmen and trade professionals in the construction industry, including a number of nationally recognized and award-winning architects and engineers.
