***J&S Construction was awarded the Commander Coin of Excellence from Colonel Keith Landry at the 2010 U.S. Army Corps of Engineers’ Construction Roundtable Conference, a conference held for contractors, designers, suppliers and government officials. This coin is awarded at the discretion of the Commanding Officer for excellent performance in service to U.S. Army Corps of Engineers. During the conference, J&S Construction was singled out by COL Landry for designing and building the first LEED Gold Certified building to be constructed in the Louisville District.***
