

Fire, Smoke, Water, Wind & Vandalism Interior/Exterior Repairs & Roofing

J&S Construction Company, Inc., a fourth generation, family-owned company, has been leading the way in construction innovation and design, while maintaining high standards of integrity and excellence. J&S Construction® is one of the oldest and largest construction firms located between Nashville and Knoxville. Our Insurance and Restoration Team (IRT) is your one source for restoration repairs, insurance claims and emergency needs and has the ability to work with your insurance company/adjuster to prepare an accurate estimate of the necessary work to be performed.
